Dear Parents of Junior Kindergarten to Grade Seven Students,

Ahlul-Bayt Islamic School would like to form the 2007/2008 Parent Committee. The term of the last year's committee ended on Sept. 30th 2007. The goal behind this initiative is to widen channels between parents and School Board in an effort to further improve the overall school environment. The Parent Committee plays a crucial role in providing parent feedback and recommendations to the school. In addition, the Parent Committee work on special projects and tasks such as the following:

- i) Supervisors on field trips
- ii) Academic assistance in the classrooms
- iii) Raising funds: book fair, fun fair, monthly lunches
- iv) Assisting with special events

The Parent Committee will consist of eight members, one member from each grade (elected in case of multiple applicants). Please return the attached form to the Homeroom teacher of your eldest child by Monday, October 21st, 2007. Your participation and cooperation are highly appreciated and commendable.

I would like to take this opportunity to thank last year's parent committee members: Leila Beydoun, Nohad Matar, Mona Beydoun, Iman Beydoun, and Fida Dakar. Your work and initiative was greatly appreciated.
